3. Members of the team shall enjoy immunity from the criminal jurisdiction of Montenegro in respect of the acts performed in the exercise of their official functions in the course of the actions carried out in accordance with the operational plan.

In the event of an allegation of a criminal offence being committed by a member of the team, the executive director and the competent authority of the home Member State shall be notified immediately. Prior to the initiation of the proceeding before the court, the executive director, after careful consideration of any representation made by the competent authority of the home Member State and the competent authorities of Montenegro, shall certify to the court whether the act in question was performed in the exercise of the member's official functions in the course of the actions carried out in accordance with the operational plan. Pending the certification by the executive director, the Agency and the home Member State shall refrain from taking any measure likely to jeopardise possible subsequent criminal prosecution of the member of the team by the competent authorities of Montenegro.

Where the executive director certifies that the act was performed in the exercise of the official functions of the member of the team in the course of the actions carried out in accordance with the operational plan, the proceeding shall not be initiated. If the executive director certifies that the act was not performed in the exercise of the official functions of the member of the team, the proceeding may be initiated. 4. Members of the team shall enjoy immunity from the civil and administrative jurisdiction of Montenegro in respect of all acts performed by them in the exercise of their official functions in the course of the actions carried out in accordance with the operational plan. If any civil or administrative proceeding is instituted against a member of the team before any Montenegro court, the executive director and the competent authority of the home Member State shall be notified immediately. Prior to the initiation of the proceeding before the court, the executive director, after careful consideration of any representation made by the competent authority of the home Member State and the competent authorities of Montenegro, shall certify to the court whether the act in question was performed by the member of the team in the exercise of his official functions in the course of the actions carried out in accordance with the operational plan.

Where the executive director certifies that the act was performed in the exercise of the official functions of the member of the team in the course of the actions carried out in accordance with the operational plan, the proceeding shall not be initiated. If the executive director certifies that the act was not performed in the exercise of the official functions of the member of the team, the proceeding may be initiated. The certification by the executive director shall be binding upon the jurisdiction of Montenegro.

The initiation of civil or administrative proceedings by members of the team shall preclude them from invoking immunity from jurisdiction in respect of any counter-claim directly connected with the principal claim.

5. The immunity of the members of the team from the criminal, civil and administrative jurisdiction of Montenegro may be waived by the home Member State as the case may be. Such a waiver shall always be an express waiver.

6. Members of the team who are witnesses may be obliged by the competent authorities of Montenegro, while respecting paragraphs 3 and 4, to provide evidence through a statement and in accordance with the procedural law of Montenegro.

7. In case of damage caused by a member of the team in the exercise of the official functions in the course of the actions carried out in accordance with the operational plan, Montenegro shall be liable for any damage.

In case of damage caused by gross negligence or wilful misconduct or if the act was not performed in the exercise of the official functions by a member of the team from a participating Member State, Montenegro may request, via the executive director, that compensation be paid by the participating Member State concerned.

In case of damage caused by gross negligence or wilful misconduct or if the act was not performed in the exercise of the official functions by a member of the team who is a staff member of the Agency, Montenegro may request that compensation be paid by the Agency.

In case of damage caused in Montenegro, due to *force majeure*, neither Montenegro, nor the participating Member State, nor the Agency shall hold any responsibility.

8. No measures of execution may be taken in respect of members of the team, except in the case where a civil proceeding not related to their official functions held in the course of the actions carried out in accordance with the operational plan is instituted against them. Property of members of the team, which is certified by the executive director to be necessary for the fulfilment of their official functions, shall be free from seizure for the satisfaction of a judgment, decision or order. In civil proceedings, members of the team shall not be subject to any restrictions on their personal liberty or to any other measures of constraint.

9. The immunity of members of the team from the jurisdiction of Montenegro shall not exempt them from the jurisdictions of the respective home Member States.

10. Members of the team shall, with respect to services rendered for the Agency, be exempt from social security provisions which may be in force in Montenegro.

11. Members of the team shall be exempt from any form of taxation in Montenegro on the salary and emoluments paid to them by the Agency or the home Member States, as well as on any income received from outside Montenegro.

12. Montenegro shall, in accordance with its laws and regulations, permit the entry of articles for the personal use of members of the team, and shall grant exemption from all customs duties, taxes, and related charges other than charges for storage, transport and similar services, in respect of such articles. Montenegro shall also permit the export of such articles.

13. The personal baggage of members of the team may be inspected only in cases of justified suspicions that it contains articles that are not for the personal use of members of the team, or articles whose import or export is prohibited by the law or subject to quarantine regulations of Montenegro. Inspection of such personal baggage shall be conducted only in the presence of the member(s) of the team concerned or an authorised representative of the Agency.

Article 8

Accreditation document

1. The Agency shall, in cooperation with Montenegro, issue a document in the Montenegrin language and in an official language of the institutions of the European Union to each member of the team for the purposes of identification vis-à-vis the national authorities of Montenegro and as proof of the holder's rights to perform the tasks and exercise the powers referred to in Article 5 of this Agreement and in the operational plan. The accreditation document shall include the following information on the member of the team: name and nationality; rank or job title; a recent digitised photograph and tasks authorised to be performed during the deployment.

2. The accreditation document, in combination with a valid travel document, grants the member of the team access to Montenegro without the need for a visa or prior authorisation.

3. The accreditation document shall be returned to the Agency at the end of the action.

Article 9

Fundamental rights

1. Members of the team shall, in the performance of their tasks and in the exercise of their powers, fully respect fundamental rights and freedoms, including as regards access to asylum procedures, human dignity and the prohibition of torture, inhuman or degrading treatment, the right to liberty, the principle of *non-refoulement* and the prohibition of collective expulsions, the rights of the child and the right to respect for private and family life. While performing their tasks and exercising their powers, they shall not arbitrarily discriminate against persons on any grounds including sex, racial or ethnic origin, religion or belief, disability, age, sexual orientation or gender identity. Any measures interfering with fundamental rights and freedoms taken in the performance of their tasks and in the exercise of their powers shall be proportionate to the objectives pursued by such measures and respect the essence of these fundamental rights and freedoms.

2. Each Party shall have a complaint mechanism to deal with allegations of a breach of fundamental rights committed by its staff in the exercise of their official functions in the course of an action carried out under this Agreement.

Article 10

Processing of personal data

1. Processing of personal data by members of the team shall only take place when necessary for the performance of their tasks and the exercise of their powers for the implementation of this Agreement by Montenegro, the Agency or the participating Member States.
2. Processing of personal data by Montenegro shall be subject to its national legislation.
3. Processing of personal data by the Agency and the participating Member State(s), including in case of transfer of personal data to Montenegro, shall be subject to Regulation (EU) 2018/1725 of the European Parliament and of the Council¹, Regulation (EU) 2016/679 of the European Parliament and of the Council², Directive (EU) 2016/680 of the European Parliament and of the Council³, and to measures adopted by the Agency for the application of Regulation (EU) 2018/1725 as referred to in Article 45(2) of Regulation (EU) 2016/1624.
4. In case the processing involves the transfer of personal data, Member States and the Agency shall indicate, at the moment of transferring personal data to Montenegro, any restrictions on access to it or use of it, in general or specific terms, including as regards transfer, erasure or destruction. Where the need for such restrictions becomes apparent after the transfer of personal data, they shall inform Montenegro accordingly.
5. Personal data collected for administrative purposes during the action may be processed by Montenegro, the Agency and the participating Member States in line with the applicable data protection law.
6. The Agency, Montenegro and the participating Member States shall draw up a common report on the application of paragraphs 1 to 5 of this Article at the end of each action. That report shall be sent to the Agency's fundamental rights officer and data protection officer. They shall report to the executive director.
